Title IX Policy and Information

Gateway College and Career Academy and the Title IX Coordinator are up to date regarding trainings associated with Title IX regulation updates issued by the U.S. Department of Education on May 6, 2020. The School will continue to update board policies and administrative regulations pending updates in additional federal legislation.

On June 23, 1972, the President signed Title IX of the Education Amendments of 1972, Public Law No. 92-318, 86 Stat. 235 (June 23, 1972), codified at 20 U.S.C. §§ 1681-1688, into law. Title IX is a comprehensive federal law that prohibits discrimination on the basis of sex in any federally funded education program or activity, regardless of their sex, sexual orientation, gender identity, part- or full-time status, disability, race, or national origin—in all aspects of a recipient's educational programs and activities.

The U.S. Department of Education's Office for Civil Rights ("OCR") enforces, among other statutes, Title IX of the Education Amendments of 1972. Title IX protects people from discrimination based on sex in education programs or activities that receive Federal financial assistance.

Pursuant to Education Code § 221.61, all educational institutions in California subject to Title IX must ensure their websites include the specific Title IX information as set forth.
