Miguel Contreras explained to the members of the Board that the Small Business Administration sent out an email stating they still have available COVID relief funds. Gateway has an existing 30 year loan from 2020, which is currently being deferred by the SBA. Gateway staff is asking the Board to authorize them to apply for a potential additional \$150,000 to secure access to additional capital should the state legislature not pass a hold harmless funding provision for 2021-22 and 2022-23. Should a hold harmless provision be passed, the plan is to pay the new loan back

immediately. Maria Maness asked if we could still be making payments on the original loan since it is in deferment? Samantha Di Savio explained that since she is not receiving invoices, she wouldn't be able to make payments. Samantha will reach out to see if payments can be made during deferment. The members of the Board voted and approved the SBA Loan application resolution.
